A+ Citizenship Policy

A+ Program participants are expected to be good citizens at school and in the community. A good citizen maximizes his/her educational opportunities and recognizes and accepts responsibility in and beyond the school environment. Each disciplinary referral that results in an in-school or out-of-school suspension takes away from good citizen status. Students may, for good cause, appeal their dismissal through the A+ Review Committee.

The accumulation of 50 points at any point during an A+ student’s high school career will result in the revocation of the participant’s good citizen status and the participant’s removal from the A+ Program.

- In-school suspension results in a one-point penalty for each “hour”/block of suspension (accumulating up to four points (4) per day).
- Out-of-school suspension results in a five-point (5) penalty for each day assigned.

Immediate withdrawal from the A+ program will result from any of the following actions:

- Involvement in a Class IV infraction based on the KCMSD Code of Conduct
- Involvement (possession, manufacture, transportation, use, sale or distribution) of illegal drugs/alcohol
- Falsification of A+ documentation

Students may, for good cause, appeal their dismissal through the A+ Review Committee.

- After notification, students/parents will have 15 calendar days to appeal the student’s citizenship record and/or attendance record with the Site-Based A+ Coordinator. If an appeal is not filed within 15 days of notification, an appeal meeting will not be granted.
- The Site-Based A+ Coordinator will convene the Review Committee within 10 days of receiving notice of an appeal. The Committee will be composed of the A+ Coordinator, counselor, building administrator, and teacher.
- After the Review Committee reaches a decision, the A+ Coordinator will notify the parents within five business days. The decision of the Review Committee will be considered final.
