Process

- Thank you Border Star Parents for your cooperation with following this Process!!!
- There are two lanes: One for dropping off your child (ren) and the other to drive through if you are trying to park or exit.
- All the traffic is being directed around the same way to help with the safety of our children and parents. We are also hoping to get you in and out quickly.
- Mr. “B” and Mr. B’s Brigade (Volunteer 5th & 6th graders) will be helping to get your kids out of the cars and into the building if you choose to drop off in the morning or pick them up in the afternoon. To Pick up in the afternoon please display your “car rider sign” (which will be given out to all car riders once school begins) in your windshield for Mr. B and/or other teachers and he/she will call for your child to be picked up and brought to your car. Please do not leave your car; your child will be brought to you. If you DO NOT have your “Car Tag” you must park your car and come into the building (auditorium) to sign your child out for that day.
- Parking in the “No Parking Zones” will not be allowed and will be strongly enforced; this includes parking alongside the building and in unauthorized parking areas.
- We hope that the drawing on the reverse side of this communication will assist you to understand the process a little better.
- Again THANK YOU for your cooperation and assistance. We appreciate your support as we continue to try to make our school the very best for our children.
