

Dear Parent/Guardian:

RideKC has partnered with Kansas City Public Schools to offer free transportation to high school students on RideKC bus routes. Students in grades 9-12 can pick up a free RideKC Student Pass at school, which will enable them to ride all RideKC buses at no cost. While the initial RideKC Student Pass is free, replacement ID cards will cost \$5. This Student Pass will be good through August 31, 2020. If you would like your student to participate, please sign below and return this form to your school's front office.

permission to receive a RideKC Student Pass in order to utilize RideKC bus service.

My student and I understand and agree to the following:

- Students will have access to RideKC services during normal bus operation hours. (Ridership will be restricted after city or county curfew.)
- KCPS is not responsible for a student's whereabouts or safety while using RideKC services.
- Students who utilize RideKC services must submit to all RideKC rules and regulations. A student's failure to follow RideKC's Code of Conduct may result in a loss of privileges. The Code of Conduct is available at RideKC.org.
- Student ridership privileges may be revoked at any time by either KCPS or KCATA.
- **In order to retain ridership privileges, students must maintain at least 85% attendance for SY19-20 (less than 6 absences per quarter). Ridership privileges will be revoked if students do not meet the attendance requirement. Students have the opportunity to regain ridership privileges at the conclusion of the next quarter, if they regain at least 85% attendance for SY19-20.**
