Conscious Discipline

Our second Conscious Discipline meeting is coming up on Tuesday, October 17th. We will meet from 5:00-5:45pm. We will be learning about the power of attention, the 7 powers, and will end with a take-home tool for

Feel free to contact me with any questions you might have: sshaver@kcpublicschools.org (318) 792-6381 (my cell #)

We need your help!

For the next two weeks we will be studying shapes and grocery stores. I need your help collecting empty containers for us to ‘stock’ our store next week. We are limited on space, so smaller boxes/containers are preferred. I will be collecting them throughout the week and will have them out for the kids next week as our dramatic play area turns into a grocery store. We will use this unit to incorporate words, numbers, signs, and symbols into our play. It’s a fantastic way to incorporate academic learning through play.

Notes and Upcoming Events

Dear Parents,

We had such a busy 2 weeks with apples. Look for a bulletin board telling some of what we have learned coming soon.

Also, for new parents, I wanted to let you know that the Walk to School event is widely attended at Hale Cook. If you want to learn more, look at this week’s school newsletter. I heard lots of good feedback from last year’s event.

Thanks,

Sherrie Shaver

Curriculum Corner

This week we will learn about shapes and grocery stores in our ELLC curriculum. Our letter phoneme is Pp. In math we are learning about the properties of shapes.

(Unofficial) Field Trip Opportunity

Koo Koo Kanga Roo is coming to Lawrence, KS on Sunday, October 8th. There is still time to sign up to join us.
