Please do write your child’s name on all of these items:

- *1 large backpack (will hold 9”x12” folder easily).
- *1 change of school uniform including underwear and socks to be kept in the child’s cubie in a zip lock type bag. (Yes, please write name on the zip lock-type bag and on the underwear, too.)
- *1 small blanket or long towel to be kept in the child’s cubie for quiet time. (The school supplies rest mats).

Please make sure the child’s name is on his/her coat or jacket as well as the backpack. Many children have the same type of backpack or jacket. Children are responsible for keeping up with their belongings. There are Lost & Found areas to check when clothing is lost. Having your child’s name on the item makes it easier to return the item to its owner. Thank you for your help with supplies. The children and I really appreciate it!
